Marc Anthony® Liriope

Liriope muscari 'Marant' PP#20207

Marc Anthony® will become the landscape designer's choice in ornamental groundcovers. The only one of its kind to have three color hues, the new leaves on Marc Anthony® originate as golden yellow and green, and become white and green as they mature. The beautiful, rich, yellow hue is unique to this variegated liriope, making it the superior choice on the market today.
