# Sunbow® Solar Flare™

## AZALEA SERIES

Brilliant spring-blooming deciduous azaleas with larger, colorful, and more showy blooms. Great for light shade and even sunnier locations. With the added attraction of honey-suckle fragrance, these are a perfect addition to your garden.

### USE

Accent, Container

### BLOOM / BLOOM TIME

Neon yellow blooms with light orange shades in spring; Larger, more showy blooms

### GROWTH RATE

Slow

### WATER

Medium

### SOIL

Moist, well-drained acidic soil

### FERTILIZE

Yearly in early spring

### PRUNE

After spring bloom

*Rhododendron 'QbackB' PP27083*
