

OCTOBER MAGIC[®] Camellias

Southern Living[®]

PLANT COLLECTION

Inspired Gardening for the Way You Live

New, White Shi-Shi,[™] was selected for its similar bushy, spreading habit of the well-known 'Shi Shi Gashira', this low growing evergreen offers the same versatile performance when used in the landscape, and is durable enough for public spaces.

White Shi-Shi[™]

new!

- Low growing, spreading habit, 3-4' H by 3-4' W
- Porcelain white double formal flowers bloom from October through January
