

# Illumination® 'Flame'

## DIGIPLEXIS®

*Digiplexis® Illumination® 'Flame'*

Illuminate your landscape with densely packed bright pink to red-orange flowers enhanced with yellow throats. The sterile blossoms and long bloom time will set your senses afire.

### USE

Ideal for beds, borders and patio pots; great cut flower

### BLOOM / BLOOM TIME

Bright pink to red-orange blooms with yellow throats spring to fall

### GROWTH RATE

Fast

### WATER

Keep dry until established; avoid overhead irrigation

### SOIL

Well-drained, moist garden soil

### FERTILIZE

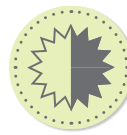

Use a balanced liquid feed with micro nutrients until established

### PRUNE

Prune dead growth after flowering to promote new growth
