

Phenomenal™ LAVENDER

At last, a lavender truly adapted to our hot, humid summers! The fragrant blue flowers and silvery-green foliage create a canopy of color breathtaking even in a small planting. Phenomenal blooms much sooner than other varieties, beginning in late spring through early summer. We heartily recommend it for borders, meadows and mass plantings.

USE

Accent, Border, Coastal, Container, Cut Flowers, Edging, Groundcover, Mass Planting, Raised Beds, Rock Gardens

BLOOM / BLOOM TIME

Fragrant blue blooms and silvery foliage appear earlier than other varieties—late spring to early summer
