# Shining Sensation™

## WEIGELA

A blooming machine, Shining Sensation's pink funnel-shaped flowers engulf the plant in May and June, and then sporadically bloom through summer. Shiny, burgundy foliage appears as though it has been polished, and contrasts nicely with the pink flowers. This shrub is perfect for sunny locations and attracts butterflies and hummingbirds.

### USE

Accent, Container, Mass Planting, Slope

### BLOOM / BLOOM TIME

Trumpet-shaped, hot-pink blooms in spring

### GROWTH RATE

Fast

### WATER

Medium

### SOIL

Well-drained garden soil

### FERTILIZE

Yearly in early spring

### PRUNE

After spring bloom
