

Hello Darlin'[™] & *I Declare*[™] BLUEBERRIES

These low-chill blueberries offer a compact dense habit, attractive green summer leaves and dark red leaves in fall. Developed by the University of Florida, they bloom early, followed by lots of sweet, large berries. Multiple varieties increase fruit.

FULL SUN TO
PART SHADE

0°F TO 10°F
USDA ZONES 7-9

4-5' H X
3-4' W

USE

Border, Container, Kitchen Garden
