

EverColor® 'Everlime'

CAREX

Carex oshimensis EverColor® 'Everlime' (PBR)

Carex oshimensis 'Everlime' is a superb ground cover and container plant with distinctive green foliage with lime margins. It is easy to grow, low maintenance and forms a neat easily controlled mound. 'Everlime' is a great cold hardy accent plant for all year round arrangements. Everlime does well in mass plantings in open situations.
