'Hot Spot'

HEUCHERELLA

'Hot Spot' combines the best of both worlds: bright pink flowers and a trailing habit. With a long bloom time and creeping habit, this plant makes an excellent container plant or a groundcover. A large red spot in the center of lime-green leaves will draw your eye from across the garden! Blooms from late spring until frost here.

USE

Accent, Border, Container, Groundcover, Rock Gardens, Woodland Garden

BLOOM / BLOOM TIME

Trailing habit, lime green leaves; pink flowers in spring

GROWTH RATE

Fast

WATER

Medium
