Snow Joey™

VIBURNUM

This easy care shrub offers interest each season. Lacy white flower clusters emerge in spring, later followed by great fall color and bright red winter berries. You'll love that it's aromatic, versatile in the landscape, drought tolerant and disease and pest resistant.

USE

Cut Flowers, Hedge, Mass Planting

BLOOM / BLOOM TIME

Lacy white flower clusters in spring

GROWTH RATE

Moderate

WATER

Medium water

SOIL

Moist, well-drained clay soil

FERTILIZE

Fertilize yearly in early spring
